Mr. Fateh,

The Duffy for Congress committee is submitting this Form 99 to provide in response to your letter of June 28, 2015 referencing the April Quarterly Report (01/01/2015 – 3/31/2015).

The original RFAI referenced a refund for \$7,505.61 from Connell Donatelli that did not have a corresponding expenditure.

In reviewing our previous reports and database we confirmed that Duffy for Congress reported an expenditure of \$14,000 to Connell Donatelli, dated August 6, 2014, which existed on our 2014 October Quarterly Report. However, the expenditure was reported as "CD Inc.?" You will see on page 137, entry C of the 2014 October Quarterly Report that the addresses match, and "CD Inc.?" is the same entity as Connell Donatelli. Therefore, the refund of \$7,505.61 is not an impermissible corporate donation.

Do not hesitate to contact me if you need any additional documentation, clarification, or have any other questions.

Sincerely,

Michael Masterson
Treasurer
